CHICAGO, IL 60604-3590

SEP 27 2017

REPLY TO THE ATTENTION OF:

MEMORANDUM

SUBJECT: Recommendation to Issue a Finding of Violation to
Environtech Landfill, Morris, Illinois

FROM: Sara Breneman SB
Chief
Air Enforcement and Compliance Assurance Branch

TO: Edward Nam
Director
Air and Radiation Division

I recommend that you issue a Finding of Violation (FOV) to Environtech, Inc (Environtech) for violating the Standards of Performance for Municipal Solid Waste Landfills at 40 C.F.R. 60, Subpart WWW; the National Emission Standards for Hazardous Air Pollutants: Municipal Solid Waste Landfills at 40 C.F.R. Part 63, Subpart AAAA; and its Title V Permit.

Specifically, Environtech has failed to timely correct exceedances of oxygen in their gas collection wells which could lead to a subsurface fire or oxidation event. We discovered these violations through review of Environtech's response to a Section 114(a) Information Request issued on May 12, 2017.
